

Harness Your Influencing Personality

Develop influencing capabilities and harness your own influencing strengths.

Overview

“If you want to go fast- go alone, if you want to go far- go together.’ Seldom do we come across people working alone and working with people requires a certain amount of tact, skill, awareness and rationale. Having a team, doesn’t ensure a job done. It needs someone to take the lead, someone to align, someone to direct and someone to course correct. Why not that someone be YOU? Here is a chance to harness your own Influencing Powers and Potential.

Learning Outcomes

This program intends to help learners appreciate the need to be an influencer and embody traits of successful influencing. It helps them discover their own influencing personality, its strengths and accept its limitations. It provides ideas to help them create partnerships through influence and inspire others to harness their potential.

Your takeaways

1. What Is and Is Not Influence
2. Traits of an Influencer
3. Influencing Energies and Forms
4. Discover Your Influencing Personality
