

Spearheading The Change Game

Learn how to embrace change, develop change strategies for self and others.

Overview

Change is Inevitable. Growth is Optional. Do I allow the opportunity for growth when I go through the waves of change? How pro change am I and what can I do to be more geared? Managing change is like a surfer in the wild seas. So here is a workshop that helps you be a prepared surfer ready to embrace the waves of change.

Learning Outcomes

This workshop intends to help learners understand the context and approaches to change, tools to manage change, process of managing change and things to bear in mind during the change journey.

Your takeaways

1. Context of Change
2. Approaches to Change
3. The Change Process
4. Getting Geared
5. Tools and Techniques
6. Personal Change Readiness Assessment
